I, (Print name here) _____ have been provided a copy of (either in print or electronic format) the Blackhat Humane Society Foster Agreement Form.

By joining Blackhat Humane Society as a foster care provider, I agree to care for my foster animals according to the requirements set forth by BHS.

Please initial each blank, and sign at the end of the form if you are in agreement with our foster care provider requirements.

____ I agree to provide a safe and clean living environment for all foster animals. That includes clean crates for training, a fenced in yard or leashed walks, quarantine for sick new arrivals, etc. *Any home where animals are continuously harmed or falling ill will be subject to inspection.*

____ I agree to provide, food, water, veterinary care, socialization, and shelter for my foster, always making necessary adjustments to create a highly adoptable companion.

____ I agree to provide required training, including but not limited to: litter box usage, leash training, crate training, and basic commands.

____ I agree that all foster animals will be vaccinated and altered prior to adoption (*All medical care is taken care of by Blackhat Humane Society – foster care providers will be reimbursed for all expenses if previously approved by the BHS Treasurer*). If the animal has not been altered prior to adoption, I will select a date by which the adoptive family must have the operation complete, and follow up to assist in payment and completion. I will also keep a current and accurate *Foster Animal Record* which will be turned over at the time of adoption.

____ I am aware that in the event of unforeseen medical problems, the treatment ***must be authorized in advance by the Blackhat President or their designee PRIOR to receiving treatment.*** Without prior authorization, I understand that I may forfeit my right for reimbursement.

____ I agree to submit updates and photos of any animals being fostered under Blackhat Humane Society for Petfinder, Facebook, and other advertising opportunities. *Constant contact, whether via e-mail, Facebook, or phone is key to getting any foster animals adopted in a reasonable amount of time.*

____ I agree to never take an animal to a shelter, but will work with Blackhat Humane Society to find other placement opportunities if I am incapable of continuing foster care.

____ I agree that as a foster care provider, I am responsible for screening potential adopters prior to any adoptions. An adoption application is available for use. **If possible**, I the foster care provider will perform a home check of potential adopters. If physical inspection is not possible, photos of home and yard can be provided instead.

____ I am aware that any person adopting an animal through Blackhat Humane Society must sign an adoption contract and pay an adoption fee. Fees are \$95 for a dog, \$35 for a cat, and may be subject to change. As foster care provider, I am responsible for obtaining a signed contract and fees. I will provide the BHS Board Members information regarding the adoptive family for record keeping, and turn the adoption fee in to the BHS Treasurer.

____ I agree that if I have any problems or concerns regarding my foster animal or experience, I will contact Blackhat Humane Society immediately.
